The America Cup International Fly Fishing Tournament is pleased to invite you to one of the best fly fishing venues in the United States. The minimum number of 5 Man Teams was not reached and we have made some changes in The America Cup 2009 event.

This year's event takes place on August 22nd-30th 2009. New this year is a free concert on Frisco's main street which will kick off the opening on August 22nd, 2009 starting at 4 PM this concert will feature Dicky Betts of the Allman Brothers Band and Tab Benoit. Practice days are the 23rd thru the 25th.

The America Cup Trophy will be engraved with the winning teams name and placed in the Frisco town hall, in addition the 1st place team will receive \$2,000.00, 2nd place \$1,000.00 and 3rd place \$750.00. These cash prizes are based on having a limit of 15 teams participating. If more teams compete the prize money will increase.

A \$550.00 per 2 man team fee covers registration, transportation to the river and lake venues during the tournament on August 26th-28th. The awards dinner will be held on the 28th at Dillon Marina. This event will be open to the public with food and drink provided. We are working with local lodgers to provide discounts for the teams. The lodging information will be sent out to the competing teams.

This is a 2 man team event and the rules will be posted on the website. There is a 3 fly rule. Captain's meeting to be held on Aug. 25th, 2009, 7 P.M. to go over rule changes and answer any questions. Meeting locations will be determined closer to the event.

The event format will be a 'Fishing Rally'. Each team will meet in the morning at the Scoring Center where a controller will be assigned to each 2 man team. The team will then take a single vehicle and fish anywhere they want. Valid driver's license and vehicle insurance is required. The accompanying Controller must measure and record scoring fish. There will be a set time to return to the Scoring Center and failure to return on time will void that days scores.

Fish the water you know, the way you know!

The tournament will begin with full days of fishing on the 26th and 27th, and a 3/4 day of fishing on the 28th. A valid Colorado fishing license is needed to compete which needs to be purchased by each Contestant.
